TGSF Halloween Tournament Rained Out

Monday, October 16, 2006

The Tulsa Girls Softball Federation's Halloween Tournament was called on Sunday, due to rain. The 12's were eliminated on Saturday, and the 14's and 16's were still "in the hunt" on Sunday, when the tournament was cancelled. The performance by all 3 teams was very solid, considering it was their first tournament together.

12's Finish 3rd in Easter Brr....unny Classic

Easter Sunday, April 8, 2007

The 12u Shootout finished 3rd out of 4 teams in the subfreezing temperatures of the Broken Arrow Girls Softball League's annual Easter Bunny Classic. The Shootout ladies started off with a lop-sided victory over the Stillwell Crushers. The bats were hot and the young Shootout ladies were having a very successful game at the plate. This would be the best game of the tournament offensively and consequently the only victory for the youngest of the Shootout teams. The next two games were losses to the Car Toys Xtreme and the Oklahoma Sliders. We played sluggish in both of these games, never mounting much of an offense. When we did manage to get some base runners we couldn't keep the bats going to get them in. Although the losses were disappointing, it is still very early in the season and quite frigid. The Shootout ladies will definitely be heating up for some more impressive action soon.

Keep Your Heads up We are very proud of You and We know that the best is yet to come!

12's Go 5-0, Bring Home Championship

Sunday, April 22, 2007

The Tulsa Shootout 12u team finished the Broken Arrow Girls Softball League's 5 game guarantee Tournament undefeated. The 5-game tournament turned into a round-robin format with 6 teams entering the tournament. The Shootout team finished with a perfect record with wins over the Sand Springs Angels, KVGALS, OK Easton Ms.Stix, Oklahoma Knockouts, and the Oklahoma Whiplash.

Awesome Job Shootout Ladies!!

Tough Lesson in Claremore

Monday, April 30, 2007

Just one week after going undefeated in Broken Arrow the 12's found their situation reversed in the Claremore 14u Open, going 0 for 5. They competed with all but the last of the teams they faced. Although the lack of wins is discouraging for the Shootout ladies, the step up in competition will only serve to strengthen the future performance of these young ladies.

Keep your chin up ladies and Tournaments like these will make you tougher!

Regional HOF Qualifier

*May 18 - 20, 2007
Little Rock, AR*

Game 1 against Beebe Blast 94 Lost 1 - 2

Game was 0 - 0 until the 4th inning. Our bats were quiet until then. Stringing together 3 hits we were only able to score 2 run. We held the blast in the 4th inning but in the 5th inning they started off with a base hit and then on an error and 3 base hits they were able to score winning the game.

Game 2 against the Arkansas Livewires 94 Lost 0 - 2

We left 6 runners stranded on base unable to score. The Livewires scored a run in the 1st and 3rd inning winning

Game 3 against the Livewires (single elimination) Lost 1 - 3

The bats were warmed up and ready to go to work. Scoring on 1 run and leaving 9 runners stranded just wouldn't cut it. Game went a full 7 innings. The Livewires scored a run in the 1st, 3rd and 5th inning to take the game.

We had every opportunity to win these games but leaving a total of 15 runners stranded on the bases and committing 4 errors in 3 games makes it difficult to win.

Owasso, OK

Pool Games

KV Gals - Win 11 - 0

Muskogee Aces - Win 5 - 1

Bracket games

McAlester Knockouts - Win 7 - 0

With 6 hits 4 walks the Shootout win.

Owasso Crush - Lost 3 - 7 - We got off to a rocky start by allowing 3 runs to score in the 1st inning off of 1 hit , 3 walks and an error. Then in 2nd and 3rd innings still pledged by 2 lead off walks, 3 base hits scoring another 4 runs put the game away for the Crush. We left 4 runners stranded on the bases.

Owasso Starz - Lost 3 - 4 - Coming down to the last inning, the Starz start off with a lead of hit, then a walk, and 2 untimely errors load the bases, then with a line drive caught by the pitcher and then an overthrow going for the 2nd out at 1st base scores the winning run for the Starz. We left 7 runners stranded on the bases.

We had every opportunity to win this tournament but leaving a total of 22 runners stranded on the bases and committing 7 errors in 5 games makes it difficult to win.

HOF Stadium, OKC

What an opportunity to play in a great tournament in a fabulous stadium. To think that the NCAA Softball College World Series games had just ended a few days prior to taking the same field Friday morning. There were 23 teams total from (2) AR, (2) AZ, (5) CA, (2) GA, IL, (2) KS, (3) OK, (4) TX, and (2) WA

Game 1 - Friday 9:00 am vs. Firecrackers '94 from Huntington Beach, CA

Stadium field Lost 9 - 0

It seemed to be too early in the morning and not enough WANT TO, the Shootout only managed 3 hits in 5 innings. Firecrackers were hitting the ball and scoring the runs.

Game 2 - Friday 5:30 pm vs. Orland Park Sparks from Hickory Hills, IL

Field 2 Win 3 - 1

Playing a full 7 innings the Shootout had 8 hits but scored only 3 runs. We gave up 4 hits and committed 6 errors but were able to hold the Sparks to only 1 run.

Game 3 - Saturday 8:30 am vs. AZ Hotshots '94 from Chandler, AZ

Stadium field - Lost 15 - 2

Hotshots came out swinging the bat, they had 5 hits 2 walks and we gave them 5 errors for them to put 11 points on the board in the top of the 1st inning. The lighting and rained moved in for a delay in the game for about 20 minutes. After the delay and much needed TALK we took the field to finish the 1st inning and only giving up 4 additional runs the next inning. We did manage to get 2 runs in the 3rd inning but the damage had been done.

Not enough hitting and too many errors sent the Shootout home early. Oklahoma's 2 other teams, Turn 2 finished 4th and TNT were in the winner's bracket and played in the Championship game against the Texas Peppers.

Colorado Fireworks Tournament

June 30-July 4, 2007
Broomfield, CO

The Shootout split their pool games 2 and 2 finishing 3rd in our pool, with losses to Texas Peppers and Hearts of Texas and wins over Colorado Stars and Colorado Wildfire Sparx.

First bracket game on Monday put us against one of our local Oklahoma teams - Oklahoma Turn 2. We did not fair well against this 2nd year team. This loss sent us to the loser's bracket to fight our way back.

Later that day we played our 2nd bracket game against Arvada Blue Jays. The ladies came alive in the 3rd inning and put the game away advancing onto the next day. Our 3rd bracket game put us facing the Hearts of Texas again in an 8:00 AM ball game. We haven't done very well this season in early morning games and facing this 2nd year team was going to take some work. With a lead off walk in the 2nd inning, a base hit, then a sac to move runners into scoring position brought Maddie Sawyer in to pinch hit with 2 outs. She sent the first pitch screaming to right center, driving in 2 runs. The Hearts of Texas came out to get those runs back. They had some opportunities to score but were only allowed 1 run. This was a BIG win for the team to come away with. In the 4th bracket game we were facing another 2nd year team, Texas Sha-Bang. The Sha-bang jumped out to a 4 run lead in the 1st inning and added 1 more later. We tied up the ball game and went on to win it in a VERY EXCITING INTB. Later that day our 5th bracket game we played another 2nd year team, OKC Strickers (finished 3rd overall). They had a pitcher with a KILLER change up and they could hit the ball. We didn't have very many scoring opportunities and lost the game. The Shootout finished 7th out of 20 teams. ALL 5 OKLAHOMA teams finished in the top 7. Great job to all of the teams and way to represent the state!!

The ladies came away knowing if they work hard and play as a team they can do great things. AWESOME job Coach Tasha and Coach Taranne. Great support from ALL of the families. We are ALL very proud of the way these ladies played ball this week. We had some great times away from the ball field too. Playing in the snow in the mountains and white water rafting. (EVERYONE will have to do that next time.)

Ladies take what you learned in this tournament into the Nationals in couple of weeks and you will do AWESOME!!!! We really look forward to coming back and playing again in Colorado.

2007 AFA 12u "A" Nationals

July 23- 28th, 2007
Broken Arrow, OK

Pool games – Shootout finished 2nd in Pool play with a record of 2 - 1

Tuesday

- #1- Shootout (8) vs. 95 Bat Busters (3)
- #2 - Shootout (10) vs. Indy Dreams (1) (team finished 5th overall in tournament)

Wednesday

- #3 – St. Louis Chaos (3) vs. Shootout (2) (team finished 9th overall in tournament)

Bracket games began on Wednesday evening

Our first bracket game put us against a local team Car Toys Xtreme. They too, finished 2nd in their pool.

The ball game was a close one with the Car Toys leading with a score of 1 – 0 going into the 6th inning.

With the Car Toys stringing together 3 hits and making the final score 3 – 0. The Shootout bats were too quiet with only 3 hits in 7 innings and leaving 3 runners stranded. This loss sent us to the losers bracket.

Second bracket game put us facing the 95 Bat Busters again on Thursday. The Shootout ladies came to the park ready to HIT. We put 7 runs on the board in the first inning and then adding 7 more runs throughout the remainder of the game. The Bat Busters scored 5 runs. The final score was 14 -5.

Third bracket game put us facing another local team the Oklahoma Hurricanes. The Shootout got the chance to score first. We put 4 runs on the board in the first inning. The Canes then came up to bat and batted through their line-up scoring 6 runs off of 6 walks, 2 errors and 1 Hit. You can say that our pitching and fielding got left somewhere behind on the field that we played on earlier. The Canes then scored an additional 4 runs on 3 walks, 1 hit batter, 1 hit & 1 error in the 2nd inning. Our pitcher finally settled in and started making some noise, setting the batters down, 6 strikeouts and other various ground outs/fly outs that kept them from scoring anymore runs. With our hitters just not being able to sit back and wait, wait, wait for the pitch to get deep enough, we were held scoreless until the 6th inning. The girls finally realized what they needed to do; they scored 5 runs in the 6th, making the score 9 – 10. In the 7th inning we just couldn't score the runner on 2nd base to tie the score. We left too many runners on the bases (10) and walked too many batters (12) so the season was over.

The Shootout finished tied for 13th place. Not bad but we should have done better. Congrats to all of the other Oklahoma teams: Oklahoma Turn 2 (1st), Oklahoma Hurricanes (tied 9th), Outcast (tied 13th), Car Toys Xtreme (tied 13th), Oklahoma Force 95, Drumright Lady Cubs & Oklahoma Sliders. Thanks a bunch Coach Tasha, Coach Pam, Coach Bridgett, Scrappy (Eryn McCarver), Amy Mills, Alyssa Freiling, Raegan Bryant, Tiffany Sawyer, and ALL of the parents/family/friends for supporting us this week. Wish we could have done better and played longer We will next year!!!!

The Lunatix started off the 5th inning with a hit batter with 2 outs and then a the next girl hit a shot to deep right, scoring 2 on a throwing error, this tied the score 3- 3. We had bases loaded with no outs, one nice shot scored a run and we were still in the winners bracket (4 - 3). Game 3 Saturday 3:30 vs. Force 96. Score was 1 - 1 going into the 4th inning. We scored 2 runs on a single bring the score 3 - 1. We kept the Force from scoring in the last 2 innings (3-1). Game 4 Saturday 7:00 vs. Starz. The ladies bats were on fire for this game, we scored in every inning. The Starz had 3 scoring opportunities but were shut out. (8- 0). Game 5 Sunday 11:45 Texas Glory vs. (The last 2 undefeated teams in the tournament.) Our bats were not working their magic. We put the ball in play but managed to only get 2 runners on base (1 hit and 1 hit batter). The Glory team were hitting and making things happen scoring 4 runs and putting the game away. (0-4) This loss sent us to the final game in the losers bracket. Game 6 Sunday 1:30 vs. Force. Our bats still didn't come together for this game. We left 5 runners on base and couldn't get them in. The Force managed to score 7 runs by the end of the game. (0-7)

10/26 - 10/28/2007
Pecan Park - Claremore, OK
12 teams

- 1st - Burn 14u**
- 2nd - Tulsa Shootout 12u**
- 3rd - Oklahoma Crush 12u**
- 4th - Oklahoma Freeze 14u**

This being a 14u tournament, we knew we needed to come to park to play hard even though there was a mixture of 12U & 14U teams. Our first game we won against the 12u team OK Extreme 8 – 0. Saturday morning 9:30 game 2, we started off with the 14u OK Freeze. The girls played well, we had 7 hits and a couple of walks for total of 8 runs. We made some errors late in the game to allow the Freeze to score some runs, but came away with the win 8 – 4 to stay in the winner’s bracket. Saturday, 12:30, game 3

against the 14u Burn. Pitching & hitting was off and we left 5 runners stranded on the bases to lose to 0 – 6, thus sending us to the losers bracket for a long day ahead of us on Sunday to make it to the Championship game.

Sunday 12:30, we played 12u OK Canes, this was a must win game for us. One more loss would send us home. Coming up with 9 hits and a couple of walks we put 5 runs on the board. Our pitching had allowed NO hits and a couple of walks, we allowed the Canes to score 2 runs on an error. (5 – 2). Sunday 2:00 vs. Freeze. We kept the bats rolling with 8 hits, scoring 7 runs. We held the Freeze to only 2 runs off of 4 hits. (7-2). We then faced the 14U OK Crush for our 3rd game in a row on Sunday to determine if we would play in the Championship game. The game was scoreless for 2 innings and then we put 4 runs on the board in the 3rd. You could feel the game shift in our direction. The Crush scored 1 run in the 6th inning. (4-1). This win put us in the Championship game against the Burn @ 5:00, 4th game of the day. We came up with 5 hits and scored 4 runs. Pitching & fielding was great, we held the Burn to 1 run on a walk to send us to the “IF” game (4-1). 6:30 - After a long day of back-to-back games, this being the 5th game, the ladies didn’t have much left. The Burn came out SWINGING the bats. They had 3 runs off of 4 hits in the first inning. We did manage 3 hits, but left 5 runners stranded on the bases, we just couldn’t get them in. We lost the final game 0-3.

We had a great tournament and all of the players played some great ball. We want to thank Coach Pease and Coach Josie for doing such a great job with our new team. 2nd place out of 10 teams (8 games played)
